

## SIPSAW – School Improvement Plan for Student Achievement and Wellness – Wellness

**Goal:** All homeroom and closing circle educators will feel confident in their daily implementation of social-emotional learning activities, and peer conflict on the yard will decrease by 50%.

**Plan:**

- *Kinder team will use SkillStreaming set for daily self-regulation lessons*
- *The whole school will bring together their similar strategies of “check ins” by using the Zones of Regulation Resources*
- *All teachers will commit to exploring at least two new activities a month from EveryDay Mental Health in their opening checkins or closing circles.*
- *We will monitor results of these strategies through the ongoing tracking of office referrals, unexpected class exits, classroom evacuations, and Safe Schools forms*
- *Staff will be accountable for sharing activities from EveryDay Mental Health at staff meetings*

**Reflection/ Year in Review: to Post June 2020**
